

Festoon Light

Product Code
ARCOSLS1A4W220V

IP rating	65
Ik rating	4
Source type	High power LED
Source life time	>50,000h at 25°C ambient temperature
CRI	>80
Step McAdam	3
Source flux	480 lm
Source efficiency	120 lm/W
Delivered flux	480lm
Delivered efficiency	120lm/W
Input power	4W
Supply voltage	220V AC
Insulation Class	insulation class III
Power supply	Built in constant current
Material	PVC+PC
Light colour/CCT	2700K
Beam angle	360°
Mounting	Suspension
Base	E27
Finishing	black

Technical drawing

Temperature limits

Working temperature	-30°C to +50°C
Storage temperature	-50°C to +80°C

Light control

ON/off,

Construction

This product features a robust construction designed for outdoor durability, utilizing UV-resistant PVC material for the main casing, highly conductive copper wiring for reliable performance, and an IP65 waterproof rating for protection against dust and water jets; additionally, the light bulb is made from shatterproof PC material, ensuring longevity and safety.

Warranty

- 3-year limited system warranty standard
- Warranty does not cover product failure due to an overvoltage event (power surge)
- For installations where power surge may be possible, NICOR recommends installing additional surge protection at the electrical distribution panel
